ONE MORE WELL

I realize that our newsletter of two months ago, featured a well. That well...is leaving its mark. It has left a mark on the community of Nko-
isusu. The comment we heard repeatedly was, "we are no longer drinking with the animals!!" It has also left its mark on friends of this
ministry. The story of how this borehole has dramatically changed this community has touched a chord. How often do you think about the
fact that you have unlimited, easy access to water when you turn your faucet? Or take a lengthy hot shower? Even though we have water
as an available commodity the rest of the world does not.

4,100

Children die daily
from water related
illnesses.

663

Million people lack
access to safe, clean
drinking water.

3.75mi

The average dis-
tance someone
walks to fetch
water.

70%

The amount that
health improves
with access to clean
water.

Meeting peoples' physical needs is a tremendous opening to being able to share the Gospel, and a method that Christ often used. We
have been given the unprecedented opportunity to accomplish *TWO* major water projects in *ONE* year!! The cost of a well is \$28,000. A
generous donor is willing to give \$14,000, if we will match the other half!! As of this writing we are already more than half way there, with
\$8,000 promised!! We need your urgent help to raise the rest of these funds. If everyone receiving this newsletter responded with just *\$5*,
we would have enough to provide another community with clean, safe water!!

By helping us provide clean water you give more than just a cup of water!! You impact, change and revolutionize a whole community. By
providing them with this essential element of life, we open the door for amazing avenues of ministry.

HELP US DIG THAT WELL!!!!

Kenya Hope is deeply grateful to the churches who made our Kids for Kids and Audio Bible projects part of their summer VBS programs. Children were exposed to the Word of God and challenged to be part of a global outreach. They accomplished this by collecting pennies. Lots, and lots of pennies!! Through their enthusiasm and zeal, Kenya Hope will be able to provide 34 Goats (that's 226,500 PENNIES!!) and a dozen audio Bibles to children and families in Kenya.

Check out our website at www.kenyahope.org for more pictures and videos of how churches, teams and individuals are making a difference in the lives of communities and individuals alike.
